1962 Echo

Boyden High School
Salisbury, North Carolina

Foreword

Seniors, who are leaving Boyden this year, will no doubt carry with them many fond memories of their school, such as those wonderful football games, sock hops, the beginning of a student lounge, club meetings, the long lunch lines, the daily announcements, and those hard examinations. It is these things and many more that they will cherish in their memory a few years from now.

Underclassmen, too, have had much to remember about this year. Through this yearbook the 1962 Echo staff will try to present an accurate description of some of these memories of our school life.

Dedication

Working untiringly in the task of teaching us the art of reading, writing, and speaking the English language, she has helped us in many other ways. She has contributed to our interests and pleasures. Her willingness to help those who ask help, her sincere smile which is known by every student on campus, her warm kindness, depth of character, and her never failing humor cause us all to love her. She has been more than a teacher; she has been our friend. Because we love you, the 1962 Echo staff, with great pride, dedicates the yearbook to Mrs. Ella C. Swicegood.

Many things Have Happened this Year

With or without wax, we wear them with pride.

Our home away from home!

We came, we saw, we conquered.

What the Fire!

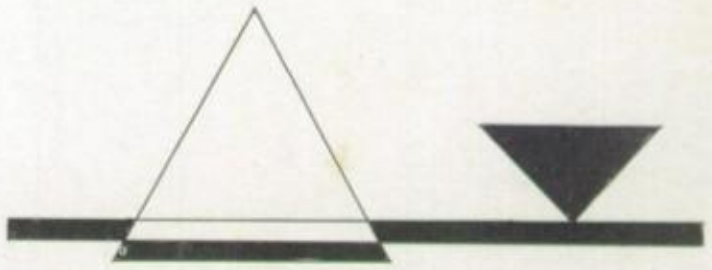
This was among the best.

Oh, those slumber parties

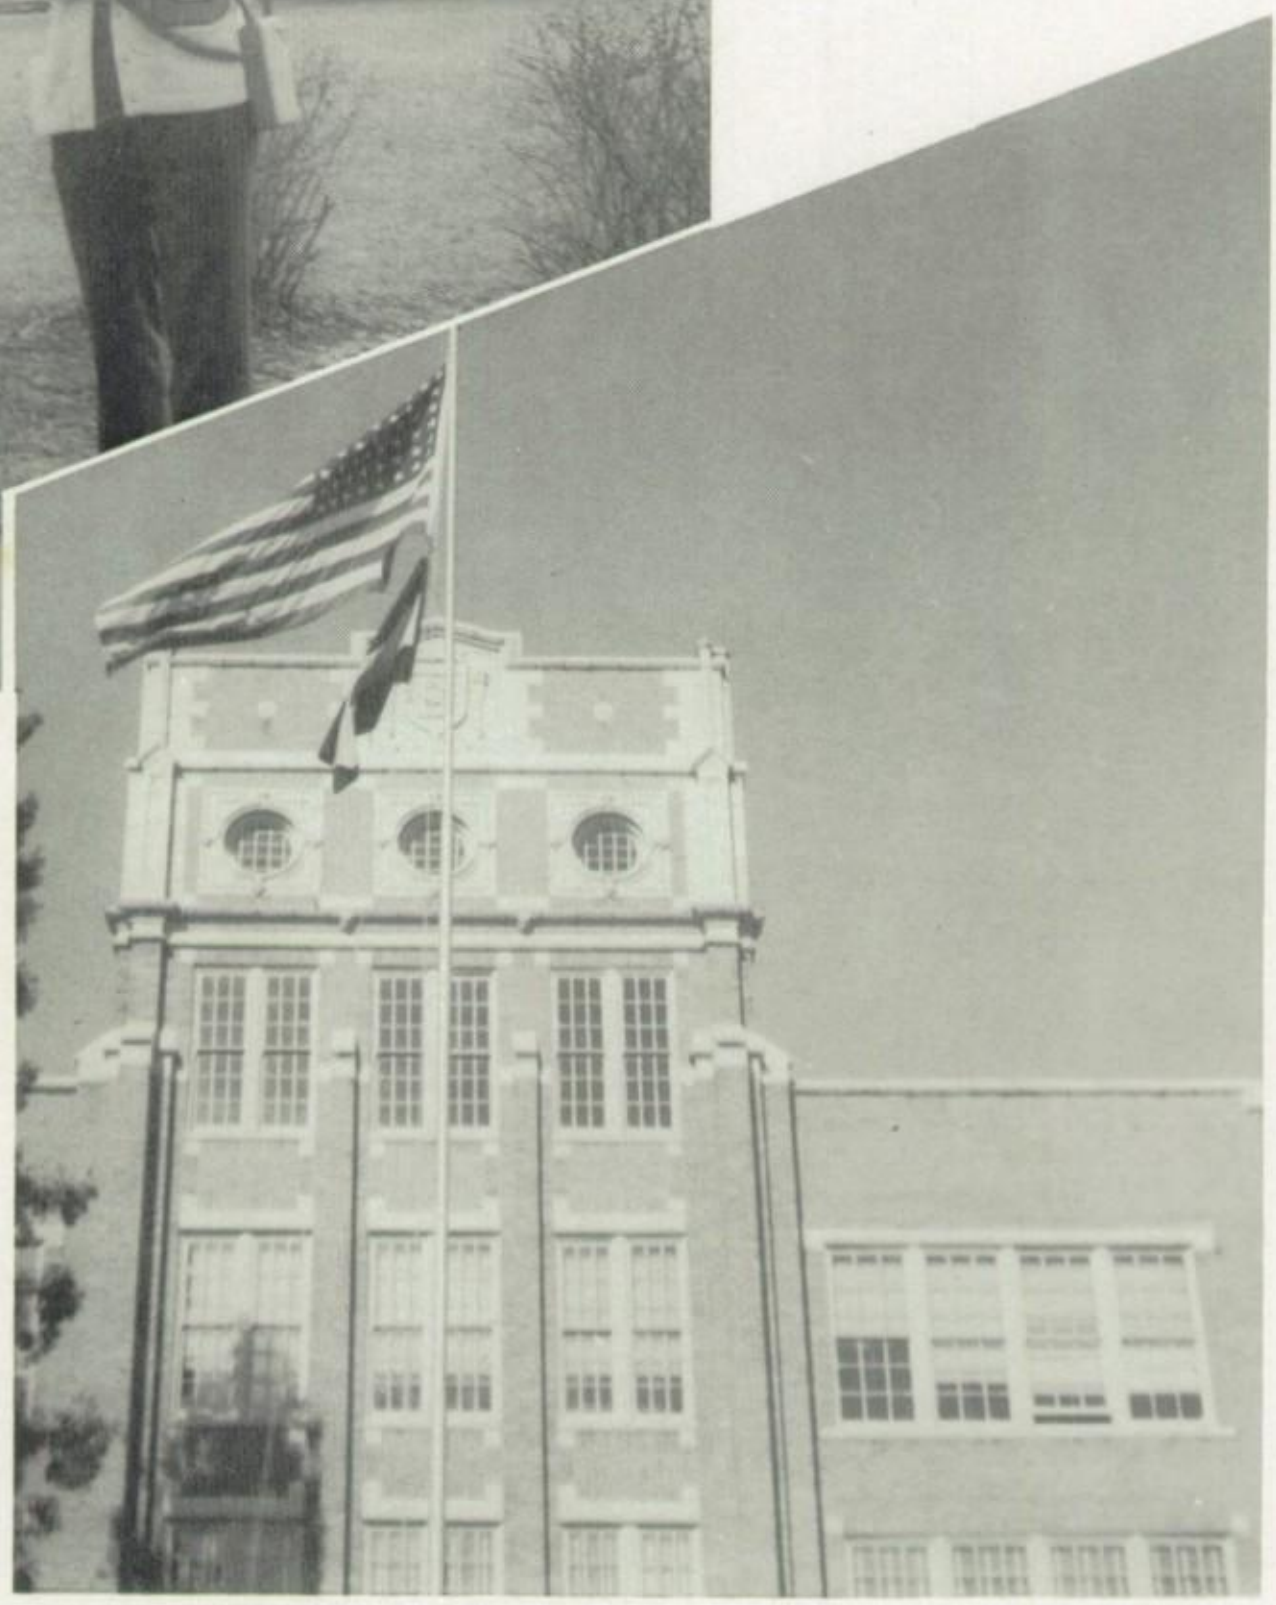
We present Leonardo and his understudies.

Come rain or shine—we appear all the time!

And now for the flower of the T. V. world . . .



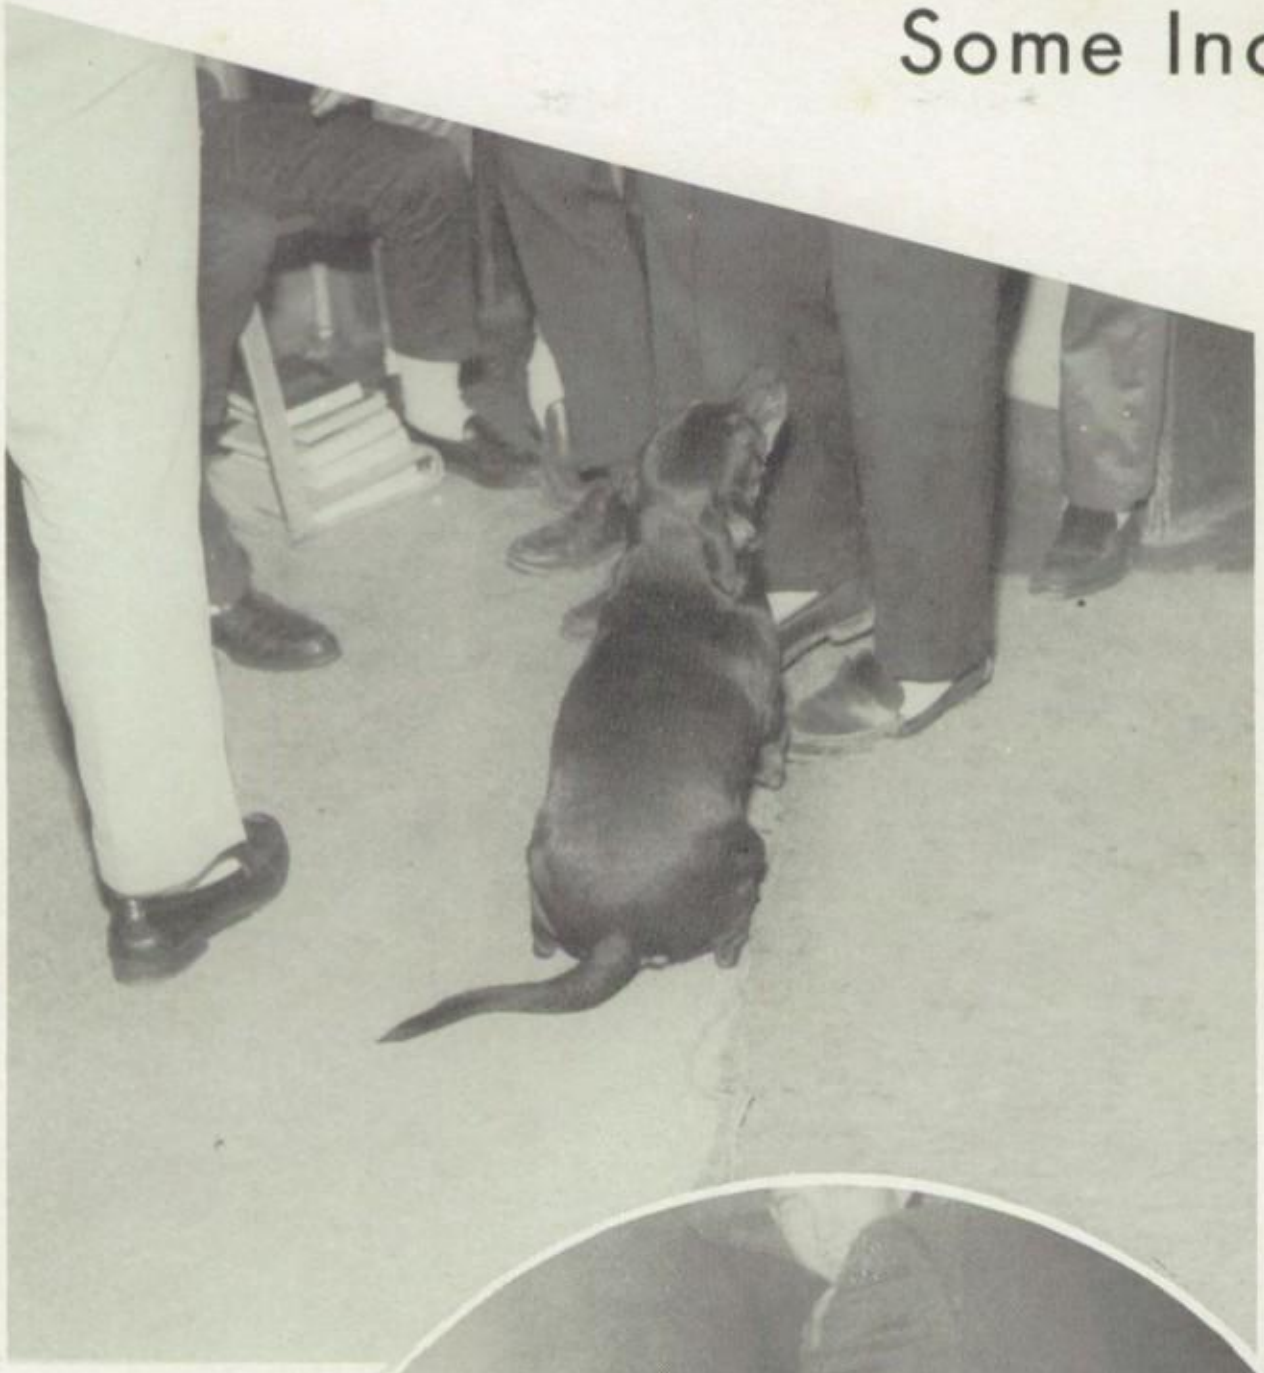
I promise this is the last time.



Long may they wave.

Some Important

Some Incidental



Hey, who has my Algebra Book?!!

Everybody's rockin' with the Dynamics

These Things We

Will it be a hit . . . or a miss

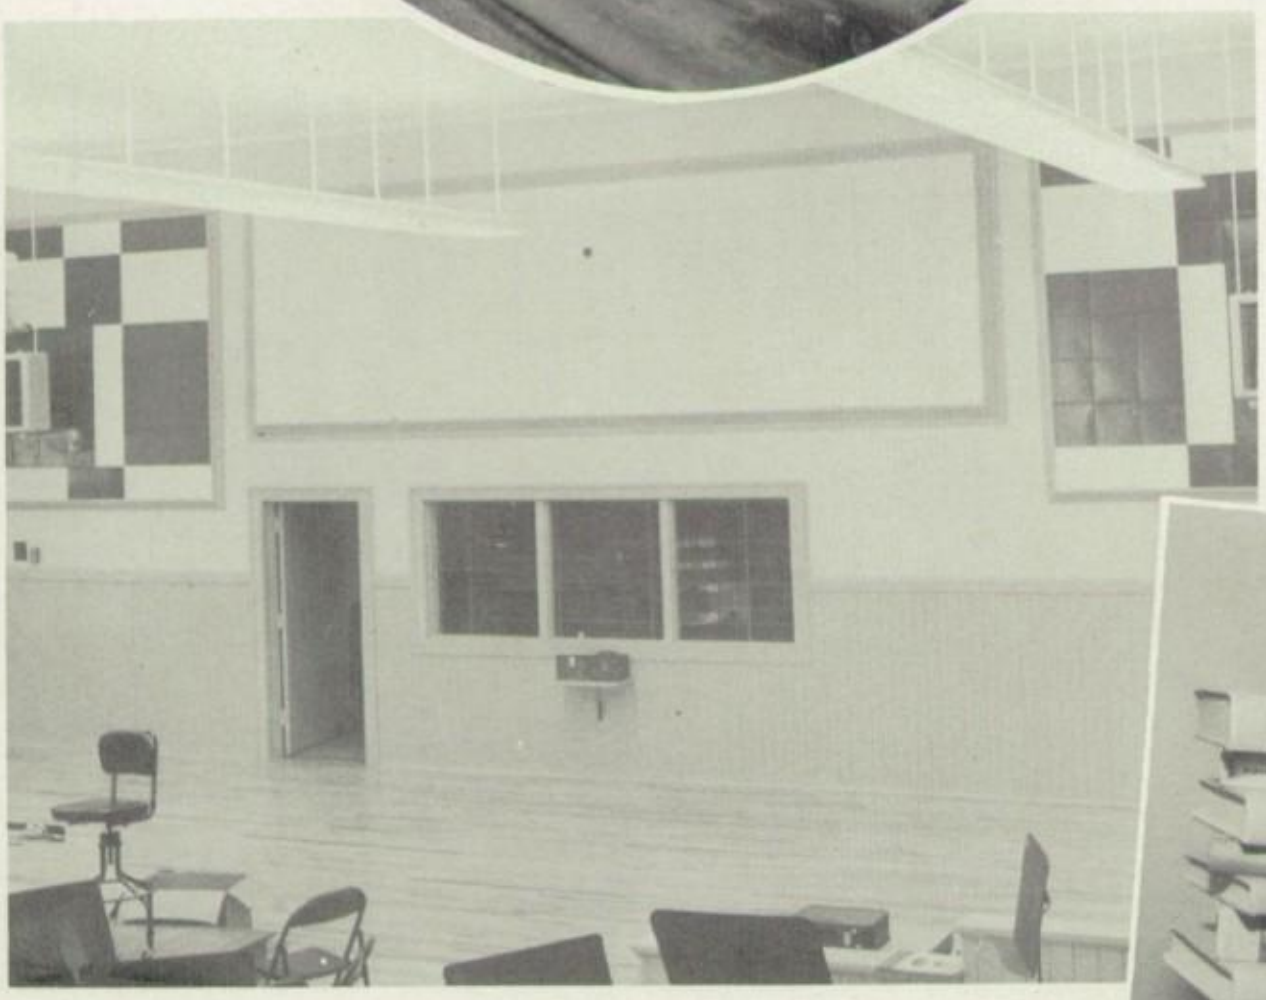
The little building away from the big house has an addition

I dreamed I won a twisting contest in my brown tasseled weejuns

Remember

Off limits to students.

Here are the morning announcements.



Who would ever dream that such an inferior exterior would have such a superior interior?

This is where our book fee goes.

Cheer, cheer for ole Boyden High!

Thank you, Mr. Brady.

Shall we dance?

How could we ever forget Rebel Days, Bean Contest, Candy Kisses, and "Yellow Rose of Texas."

New looks, but same ole books.

The snow came so we didn't.

Be sociable. Look smart. Keep up to date with twistin'.

Marshals

The marshals are elected from the members of the Junior Class who have a scholastic average of 92 or above. Twelve marshals are elected. The boy and girl with the highest number of votes serve as co-chiefs. Duties of the marshals begin at the end of their junior year by ushering at the graduation exercises. They also serve throughout their senior year by ushering at school assemblies and special performances.

FOREIGN EXCHANGE STUDENT

Boyden put out its welcome mat this year to its new exchange student, Marianne Waldvogel. Marianne, who hails from Kusnacht, Switzerland, arrived last August and has been living with the J. E. Craig's of Statesville Boulevard.

Since she came to Salisbury, Marianne has experienced her first football and basketball games as well as participating in many school and club activities. Besides all this, she also has become quite a "twister."

When asked what she thought of Boyden, Marianne said that Boyden students are very friendly, but she says that her schoolwork back in Switzerland was more of a challenge than the work here at BHS.

Marianne, on behalf of the students, we want to wish you all the good luck in the world, and we only hope your story here will mean as much to you as it has meant to us.

The Key Club this year, as in years past, was very active. Under some very efficient officers they carried out numerous projects that were greatly appreciated and enjoyed by the school and the community. Included in their many projects were giving a $500 scholarship, sponsoring the Holiday Ball at Christmas, and working at the concession stand at home football games. Key Club tries to develop initiative and leadership in its members, who come from the sophomore, junior, and senior classes and who are recommended by the faculty before their election to the club. The school has certainly benefitted from the work of this outstanding club this year.

Jr. Civitan, one of the major clubs at Boyden, certainly lived up to its purpose this year—building good citizenship. This year they sponsored "Citizenship Week," sold fruit cakes, sponsored "Parent's Night," made bulletin boards, and had other projects to promote the high ideals of BHS.- This club is made up of an elected membership of sophomores, juniors, and seniors. Since this club is comparatively new, they deserve much credit for coming so far in such a short time.

By having a doughnut sale, helping teachers at exam time, attending the state convention, and helping with schedules during the summer, the N.H.S. this year kept very busy. Members are elected by a vote of the faculty in their junior or senior year after they have proved themselves satisfactorily in having the qualities of scholarship, leadership, character, and service. They are taken into the club in the spring at a solemn candlelight induction ceremony. The juniors must have a scholastic average of 92 or above; seniors, 90.

This is an honorary journalistic society honoring outstanding members of the **Yellow Jacket** and **Echo** staffs for their work on these two publications. New members are taken in each spring at a candlelight service. The club this year sold calling cards to the seniors and with the profits of this sale held a press banquet for both staffs in the spring.

This is a national organization whose membership is composed of any senior, junior, or sophomore who has taken Latin and is interested in carrying out the purpose of the club, which is to encourage an interest in ancient Greece and Rome and their contributions to our civilization. This year's club attended the state convention in Chapel Hill and participated in class club programs.

Roman Banquet

MRS. FOWLER

The highlight of the year for all Latin students was the annual Latin Banquet, the night when everyone became Romans and made merry at the banquet, which consisted of the traditional menu beginning with eggs and ending with apples. Beautiful decorations, realistic slaves, and candlelight gave the atmosphere of an ancient Roman atrium and made this an unforgettable night for all.

"Very stylish," says Julius Caesar.

These slaves don't seem to be mistreated.

With very efficient officers this year's Distributive Education Club was one that everyone was proud of. In attempting to develop a respect for education in marketing and distribution, the members of the club participated in many worth-while projects, such as giving benches to the school and selling programs at football games. Practice makes perfect, so they say.

Studying is a part of dramatics, too.

The Masque and Wig is a fine arts club whose purposes are to develop appreciation and interest in good drama and to provide opportunities for worthwhile creative activities. This year's club presented assemblies and programs for our student body and collaborated with the Music Department in the production of South Pacific.

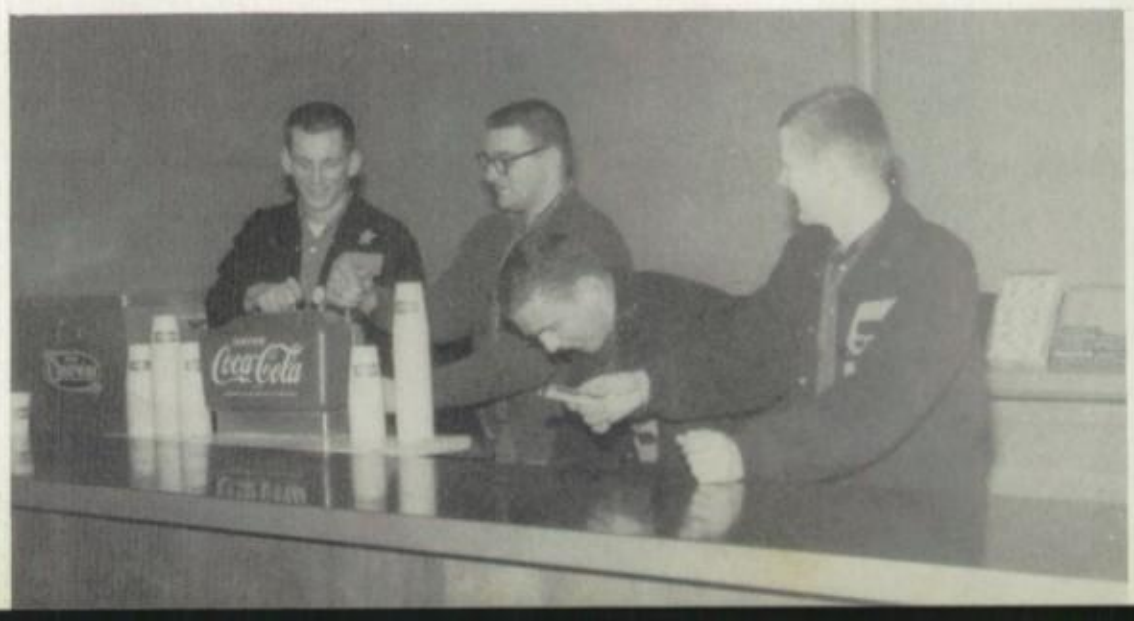
This year the members of the Varsity Club, in striving to create good, clean interest in athletics and to promote good sportsmanship, used their brains as well as their brawn in following the directions of their very good officers in projects to serve the school.

Varsity Club

By monitoring in the cafeteria, working at the concession stand during basketball season, and helping the athletic department whenever possible, this club was a great benefit to good ole Boyden.



G. A. A.

The G. A. A. is an association for girls to promote an interest in athletics. Most of the girls in the club have a letter or are working for one. By participating in intramurals, they acquire points. One hundred points are needed to earn a letter.

The club this year was very big, but not a single girl neglected to do her part in their projects. They worked hard and made this year a very successful one for their club.

Junior Music

This club is made up of young musicians who taken an active part in the music program at Boyden and who want to further the interest in music in all the students.

Future Nurses

The Future Nurses' Club was started at Boyden this year for the first time. The objective of the club is to acquaint its members with all phases of nursing and to help them decide if this is the career they would like. These hard-working girls gave much service to the hospital and the community through volunteer work. This organization is certainly a credit to Boyden.

Boyden opened the 1961 season at home by facing a determined Kannapolis High School football team. In a hard fought game the "Jackets" played the "Little Wonders" to a 0-0 tie.

Sparked by David Wood's spectacular 80 or 90 yard run, the Jackets scored their first victory of the season over Lexington High School 7-0.

After a series of defeats to Myers Park, Charlotte Garringer, R. J. Reynolds, and High Point, the "Jackets" played well the rest of the season.

In the last four games they defeated Winston-Salem Gray, lost to Greensboro, tied a favored Burlington team, and ended the season with a sensational one-point victory over Greensboro Page.

1961-62 Varsity Basketball Team

Boyden opened its basketball season this year by defeating West Rowan and North Rowan High Schools. After their first loss to Myers Park, the "Jackets" bounced back and closed the pre-Christmas season with two wins.

The first game after Christmas, Boyden defeated Burlington in overtime in a hard-fought duel. After defeating Lexington, Boyden dropped their second game to Gray High of Winston-Salem and their third

to Myers Park.

After winning four of its next six games, Boyden's hopes for a berth in the state tournament were dimmed by defeats by Greensboro, High Point and Page. Then Boyden defeated Reynolds High School of Winston-Salem and closed out the season by losing to Greensboro Senior High.

Our team had a winning season, one of which all students were proud.

COACH JACK TURNEY

COACH LUKE LIVINGSTON

Boyden's baseball chances look good before the start of the season under Coach Jack Turney. After a good season last year, Boyden has an experienced team with the loss of only three starters. It certainly looks as if Boyden will be victorious in another of its fine team sports.

Homecoming

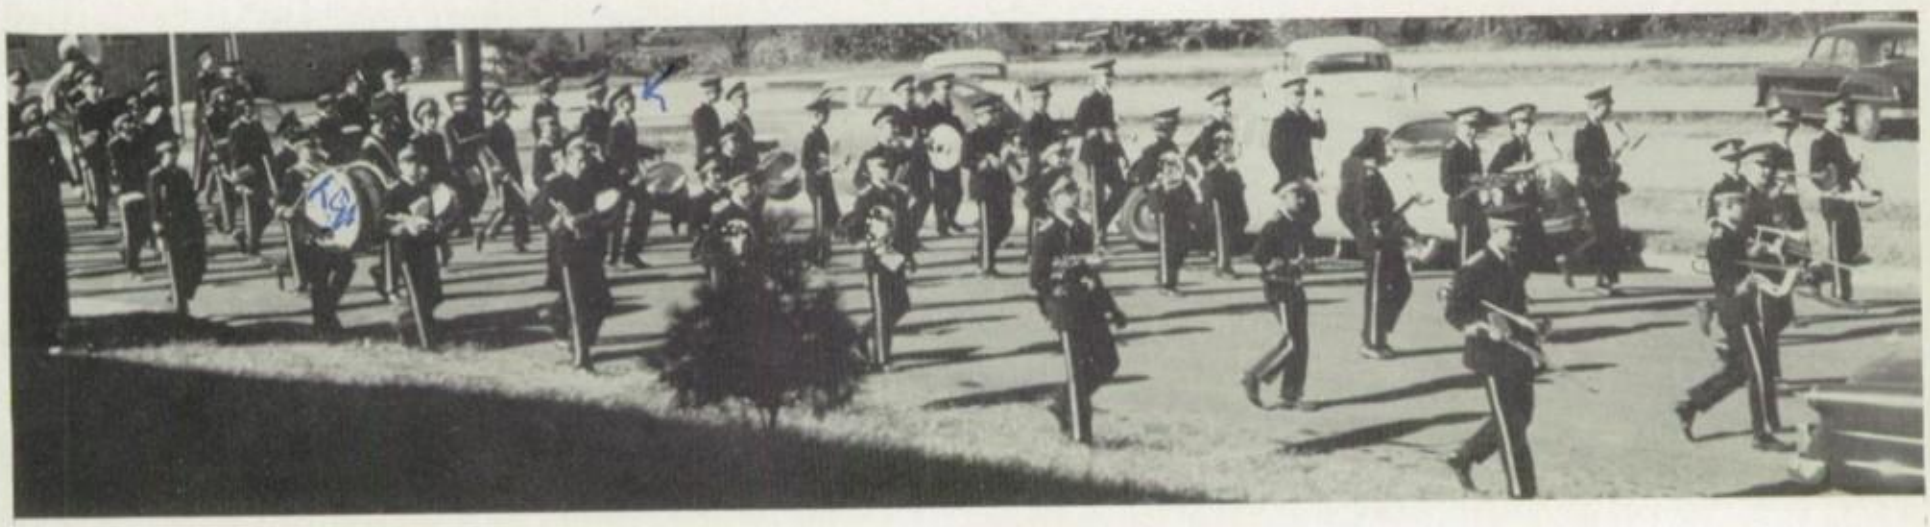
After a week filled with hard work and exuberant spirits, the 1961 Boyden High School Homecoming was underway as the parade began at 3:00 Friday afternoon. The sophomore float—Stomp the Whirlies—was victorious. Our team did a great job and we were certainly proud of them.

During the halftime performance our new queen, Mary Frances Carrigan, was crowned by last year's queen Sara Lou Thomas. Queen "M. F." and king Butch Martin, along with her court, were honored at the Homecoming Dance sponsored by the cheerleaders.

As the clock struck 1:00 and Donnie Thompson's Combo hit the last note of "Shout," the magic night was over—only to be held in our memories forever.



Boyden was quite proud of Bill Busby this year for winning one of the coveted John Motley Morehead Scholarships, which will give him an expense paid education at the University of North Carolina for the next four years.

We would like also to congratulate three other outstanding Boyden boys who won scholarships after the annual went to press: Ike Brisson, who won a National Merit Scholarship and will go to North Carolina State College; Bill Hight, who won an Angier B. Duke Scholarship to Duke University; Michael Rowland, who won a George Foster Hankins Scholarship to Wake Forest.

Sam,

I guess since I'm the first one to write in your annual, I'll have to write something good about you. I've enjoy working with Steinie this year. But how did we pass? Big deal. I read some guy and the way, a real swell guy and I'll see ya around this summer (you — be good?) and be good this summer (you — be good?)

Lots of luck.
